celebrates
NATIONAL GIRL CHILD DAY 2022

In India, the percentage of the female population aged 6 years and above who ever attended school increased from 68.8 per cent in 2015-16 to 74.8 per cent in 2019-21 but only 41 per cent of women (15-49 years) have completed more years of schooling as opposed to 50.2 per cent of men. NI
