11	Communication Skills are Connectors	Webinar	In collaboration with: The Talk Room Speaker: Ms. Swarleen Kaur, Founder Director The Talk Room	105	13/11/2021	 <p>On 13th November 2021, the Sponsorship Team of Arthashastra organized a webinar on ‘Communication Skills are Connectors’, inviting Ms. Swarleen Kaur, who is currently the Founder Director of The Talk Room. Ms Kaur taught students about the importance of communication not only in everyday life but also in their careers. They gained insight into how good communication helps us influence how others perceive our personality, enhances trust with the people around us and makes them more receptive to our ideas. The principles of effective communication are equally relevant in the workplace as well; They allow us to build and maintain mutually-beneficial relationships with colleagues, work more efficiently in a team, resolve conflicts, and are one of the foundational qualities of a good leader. Students gained invaluable information which will guide them in all aspects of their lives.</p>

4	The Big Board	Competition	Organised under: Zenith	81 registrations and 30 team participants	20/02/2022	 <p>The event THE BIG BOARD was organised on 20th February 2022 as a part of ZENITH 2022 – the annual economics conclave of MIRANDA HOUSE- and gained responses across numerous universities of the country. Based on the principles of Finance, International Trade and Board Games, this event was held over two rounds - the first being a MockStock wherein participants were required to trade countries rather than companies, the second being an amalgamation of Monopoly and MockStock.</p> <p>After being shortlisted, teams were required to play 5 rounds of Monopoly while trading countries on the basis of news being announced at regular intervals.</p> <p>The event was conducted via google meet where volunteers and teammates were urged to turn their cameras, making it highly interactive.</p>
---	---------------	-------------	-------------------------	-------------------------------------------	------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Miranda House UNIVERSITY OF DELHI

5	Cap & Trade	Competition	Organised under: Zenith	90 registrations and 32 participants	21/02/2022	 <p>The event CAP AND TRADE was organised on 21st February 2022 as a part of ZENITH 2022 – the annual economics conclave of MIRANDA HOUSE- gained responses across numerous universities of the country. Based on the concept of carbon trading, the event tried to pick up a utopian economic model in which government decision is imperative and the firms (participants) are guided by the profit motive in which they have to make a choice between ecology and money balances i.e carbon units emitted from production and money gained from it. Teams were shortlisted after a preliminary round in which they were required to answer 20 questions in 30 minutes. The questions included logical reasoning, carbon trading questions and economic memes. The 5 highest scoring teams moved forward to the final carbon trading round which included a total of 9 situations and 3 trading rounds. The team with the highest money balance within the carbon cap after the final</p>
