Permission letters for school contact programme, block teaching, alternate school visit and school internship -2021-22

From: **C Suvasini** <c.suvasini@mirandahouse.ac.in>

Date: Wed, Dec 29, 2021 at 11:55 AM

Subject: Request to sanction budget for innovative school visit, B.El.Ed 3rd year

To: Principal Miranda <principal@mirandahouse.ac.in>

Cc: kamal kataria <kamal.kataria@mirandahouse.ac.in>, Geetanjali Y. <geetanjali.yadav@mirandahouse.ac.in>

Dear Prof. Nanda

As a compulsory part of the 3rd year B.El.Ed curriculum, students are required to undertake a visit to an alternative/ innovative school. This is an integral part of the 3rd year practical course Classroom Management and Material Development. In previous years, the students have been taken to Sidh, Bodh Shiksha Samiti, Digantar and Krishnamurti schools (online) where alternative, innovative experimental approaches to pedagogy are being practiced. In the academic year 2021-22, due to the conditions resulting from COVID -19, such visits are not possible.

Therefore, the course Coordinators, Ms. Geetanjali Yadav and Mr. Kamal have explored possibilities in the online platform. After much effort, they have developed a programme for 3rd year students wherein they can explore alternative schools and innovative teaching practices and also discuss about such alternative with educationists and practitioners.

Tentatively, this online exploration of alternative, innovative institution is scheduled between 7th January to 17th January 2022. The institution where such online visit/interactions are scheduled with Eklavya Foundation, Jamnalal Bajaj Parisar, Jatkhedi, Bhopal-462026. The tailor-made programme developed by the course coordinators includes lectures by educationists and practitioners followed by intensive discussions, group interactions with field practitioners and other resource persons. These activities will fulfill the requirement of the online alternative innovative school experience, which is stipulated as a compulsory part of the programme.

I am attaching with this email a proposed budget for this exercise. The budget includes only payment to educationists and practitioners on an hourly basis, at the standard rate followed by the college in this regard.

Based on this budget, I request that the amount of Rs. 22,000/- Only (Twenty-two thousand rupees only) be sanctioned for this activity. Further I request that the amount be sanctioned at the earliest, so that execution of the program as per the schedule given. Ms. Geetanjali and Mr. Kamal will be in touch with you for any further clarifications.

Thank you

CONSTRUCTIVISM IN LEARNING

Title

Understanding constructivism in online classes during COVID-19 pandemic.

Research Objective

To understand constructivism in online classes during COVID-19 pandemic.

Rationale

Through this project I expanded my understanding of constructivism and related it with the online classes during the pandemic. I observed and compared the online classes and tried to find out about how constructivism is being achieved during the online classes. According to my understanding from B.El.Ed programme, construction of knowledge is the most important stepping stone for the students to help them to accommodate and understand the different concepts. For this reason, I decided to explore more about how this happened during online classes.
