## Part B.1

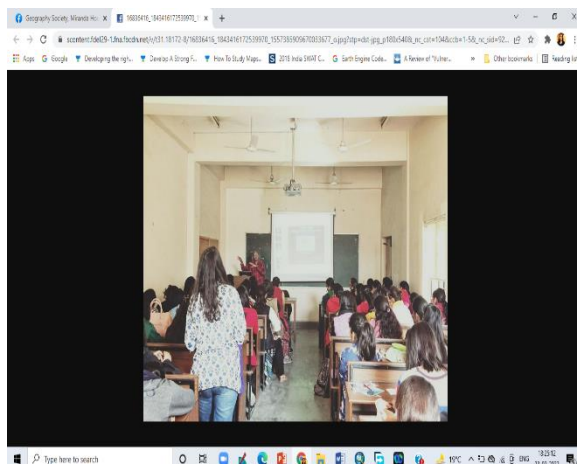

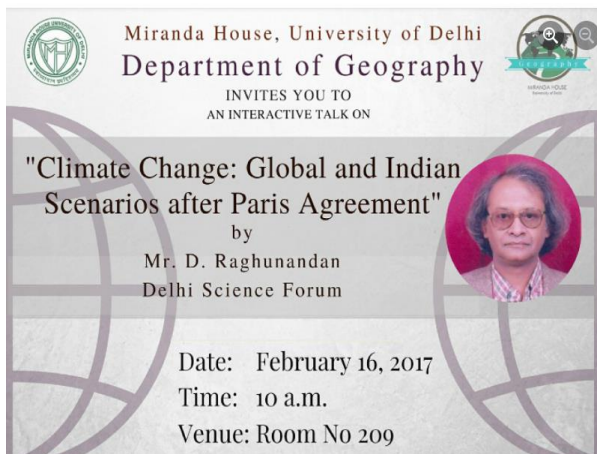

### Seminars/conferences/workshops conducted by the Department

A Monsoon Training Agenda “METKIDS” was organized on 23.09.2016-24.09.2016 in Miranda House. Dr R.A Singh, Former IMD Chief, Member IMS was the course instructor. 45 students participated in the event. The course covered in detail the monsoonal processes and at the end of each day an interactive session with students was also held.

On September 28.09.2016, the Department of Geography, Miranda House, organized a lecture on 'Governing riverscapes'. The lecture was delivered by Dr. Alexander Follmann, an eminent lecturer and researcher at Institute of Geography, University of Cologne. The lecture concentrated on a plethora of relevant issues related to rivers, especially on urban environmental change along the river of Yamuna in Delhi.

The Department of Geography organized a session on 'Climate change: Global and Indian scenarios after Paris Agreement.' It was delivered by Mr. D. Raghunandan from Delhi Science Forum on 16.02.2017. He explained the importance and nuances of the Paris Agreement and its impacts on different countries. The session was extremely engaging and informative for everyone, who had attended the lecture. His session was followed by a question answer round, where students enthusiastically asked various questions.

---

The Department of Geography organized yet another interesting event “Rites of Passage”. It was initiated by the students of first year of B.A. (H) Geography. We all come from different regions, belong to different religions, speak different languages but are studying harmoniously in this great institution. To show case multiplicity of our cultures, the Department of Geography presented “Rites of Passage" from March 1, 2017 to April 12, 2017 (Every Wednesday). Around 54 students attended the event.
