Miranda House UNIVERSITY OF DELHI

Department Of Geography, Miranda House presented a talk on ‘Trends Around Education Globally’ on 5.01.2018 by Dimple Sahi, a Senior Research Fellow at the Transnational Law Institute, Kings College, London. The session was conducted on 5.01.2018 on an extremely interesting and pertinent topic, ‘The New Human Condition- Transnational issues in the age of Resilience’. The talk provided students with an opportunity to be acquainted with new fields in the areas of Law, Sociology, Anthropology, Philosophy and subjects such as a Gender Inequality, Disaster Capitalism, Corporate Warfare, Supply Chains and other topics and encouraged them to know more about possible careers and work within these areas. More than 150 students attended the lecture.

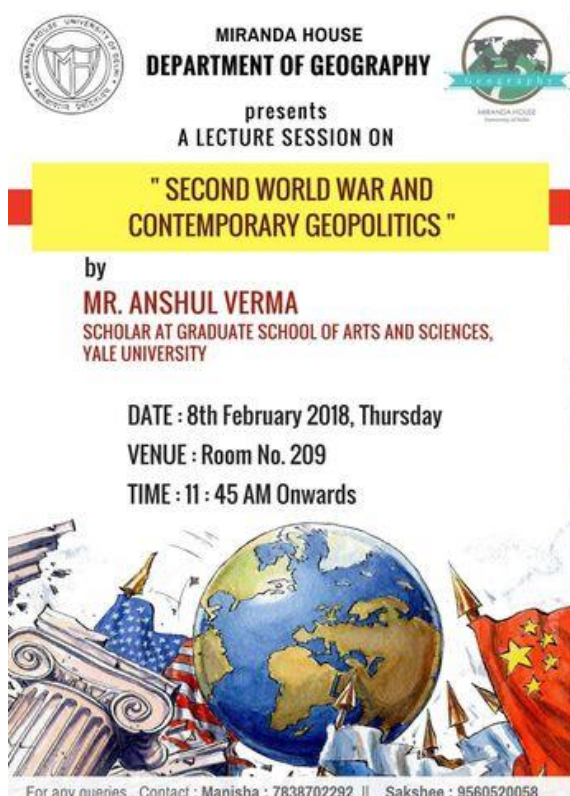

Miranda House UNIVERSITY OF DELHI

Department of Geography conducted a seminar on “GIS based earthquake and landslide zonation” by Dr. Vijendra Pandey on 25 January 2018. Dr. Pandey is currently a post-doctoral research associate in a DST-SPLICE project on ‘Himalayan Cryosphere: Science and Society’ at CSRD, JNU. This seminar was based largely on Dr. Pandey’s research work in Tipri Guttu

highway corridor along with an interactive session on methodology of landslide zonation. More than 70 students attended the seminar.

Mr. Anshul Verma, a scholar at Graduate School of Arts and Sciences, Yale University had taken upon himself the herculean task of analyzing the causes and events of the Second World war that lasted for six

Miranda House UNIVERSITY OF DELHI

years in a two-hour enthralling session organized by Department of Geography, Miranda House on the 8.02.2018. From the Treaty of Versailles to Hitler's rise in power to mass killings of Jews to Pearl Harbour and the unfortunate bombings of Hiroshima and Nagasaki, he took the students through a myriad of images that helped them fathom the true horrors and trepidations behind the speeches and boundless ambitions of Hitler, Stalin, Mussolini or Churchill, after all history is a story of processes not just events. Around 75 students attended the session.

Department of Geography organized a Special Lecture on the topic 'Interlinking of Rivers: Environment & Development Dynamics' on 26.10.2018 by Dr. S Sreekesh, Associate Professor, Centre for the Study of Regional Development, School of Social Sciences was held in Room 209, Department of Geography and more than 100 students attended the lecture.

The poster is for a special lecture presented by The Geography Society of Miranda House. It features the university's logo on the left and a globe icon on the right. The main title 'GLOBE 2018' is prominently displayed in large blue letters. Below this, it states 'SPECIAL LECTURE BY' followed by a portrait of Dr. S. Sreekesh and his title: 'ASSOCIATE PROFESSOR, CENTRE FOR THE STUDY OF REGIONAL DEVELOPMENT, SCHOOL OF SOCIAL SCIENCES'. The topic of the lecture is 'ON THE TOPIC INTERLINKING OF RIVERS: ENVIRONMENT & DEVELOPMENT DYNAMICS', written in green. At the bottom, the date and time are given as 'FEBRUARY 26, 2018 | 10 AM | ROOM NO. 209, DEPARTMENT OF GEOGRAPHY'. The background is light blue with a decorative wavy pattern at the bottom.

Miranda House UNIVERSITY OF DELHI

Department of Geography along with [Intach Heritage Walks](#) organized a walk on 11.11.2017, in Shah Jahan's very own capital he designed with his favourite daughter Jahanara. Ms. Aradhana Sinha and Mr. Ashwin Tahiliani, our walk leaders took us through a journey of the urban development of Chandni Chowk. From institutions representing almost all major religions to restaurants offering various cuisines and historical monuments and artefacts standing witness to the glories and tragedies occurred here, the two-hour walk opened up a whole other side to this otherwise popular shopping centre. The charm of Chandi Chowk magically weaved into us in the early Saturday morning as Shah Jahan's legend lives on.
