1. GUMAAN (WDC)

The society organized a body painting stall and a photobooth under the event, Gumaan, organized by the Women's Development Cell of Miranda House. The main aim of the event was to shed away all the body shaming images and embracing your own selves as they are.

2. LIVE ART SESSION

As a commencing event the society members went to Lodhi Gardens for live art session, wherein we sketched and worked on bonding with the freshers.

3. INDIA HABITAT CENTRE FIELD TRIP

The society organized this event such that the members could explore the most exciting and appealing exhibition place in Delhi. Further it involved meeting Mr. Vikram Nayak, a famous illustration artist followed by visiting an International cartoon exhibition and a contemporary art exhibition.

4. CARTOON MAKING COMPETITION

The competition was organized in collaboration with UNESCO, New Delhi and S.B Foundation, based on the theme Girl Force: Unscripted and Unstoppable. It involved a participation of around 25 students from different colleges.

5. ANTARAGINI 2019

10 of our society members visited IIT Kanpur for their annual cultural festival, Antaragini 2019. A total of 4 wins in fine arts competitions were bagged by the team, along with some special mentions.

6. THOMSO 2019

12 of our society members visited IIT Roorkee for their annual cultural festival, Thomso2019. A total of 4 wins in fine arts competitions were bagged by the team, along with some special mentions.

7. UNESCO EVENT

The society had setup an exhibition for the event, in the college itself, organized in collaboration with UNESCO, New Delhi and S.B Foundation, based on the theme Girl Force: Unscripted and Unstoppable. The exhibition was highly acclaimed because of an innovative cube installation made by the society along with the other artworks.

8. ONELLA

Adwitiya held a stall at Onella 2019, organized by NSS, Miranda House. For the same society members created handmade goods and sold them. The stall was met with a very positive response.

9. RANGAT (EXHIBITION)

Various societies were invited for the given event, organized by Sri Guru Gobind College of

Miranda House UNIVERSITY OF DELHI

Commerce. Our society was also present with the exhibits at the event. Our work was appreciated and loved by everyone.

10. THE ARTWALK (IN COLLABORATION WITH ONE PLUS AND KIRORI MAL COLLEGE)

A live art walk was organized in collaboration with OnePlus and Kirori Mal College. It was an open event, i.e. open for all. This was our college's first ever collaboration with OnePlus. The prizes for the winning entries were sponsored by OnePlus and one of our members bagged the third position in the competition.

11. RANGSRIJAN (EXHIBITION)

Various societies were invited for the given event, organized by Hindu College. Our society was also present with the exhibits at the event. Our work was appreciated and loved by everyone.

12. INNOSTAA

Adwitiya's annual art festival, Innostaa was conducted in the month of January this year. The event involved a workshop with Mr. Vikram Nayak, an illustration artist. We had a mini exhibition on international works of cartooning with him and he solved all our doubts about cartooning and gave us tips on how we can improve our skills in the same direction.

Further, Adwitiya had its own exhibition in SAC for our 3 day event, along with 2 competitions which saw a really wonderful turnout. On the second day of the fest, students from an NGO, Teach For India were also invited, wherein the members engaged with them in teaching them how to paint pebbles. Later we conducted a competition for them as well, which they definitely enjoyed. The overall experience was extremely memorable.

13. UNESCO EXHIBITION

Team Adwitiya feels honoured to be able to present its work at the UNESCO House, New Delhi. We were the only college present at the venue, so it was in itself a very big thing for us. We were given an atrium to showcase our work and were appreciated for the same.

14. MADARI 2020 (DUSU EXHIBITION)

It was a 3 day event, where Adwitiya showcased their work on 2 days. The members were present at the exhibition, working in slots. The exhibition was highly appreciated at the festival and our society bagged the first position in the Gramya category. It was definitely a memorable experience.

Apart from these events, the society worked together in weekly sessions and recently our society product, Badges were released. The badges have been designed by some of our very talented members who were able to excel in digital art and give the society and the college some really wonderful badges, oriented on multiple themes, ranging from Miranda House to sitcoms.
