## UNIVERSITY OF DELHI

### Year 2019-2020

The development of the Herbal Garden was a good initiative taken by the garden committee during this academic year. It has been beautifully designed. A large number of herbal plants such as *Asparagus*, *Tylophora*, *Barleria*, *Andrographis*, *Notonia*, Mint, Brahmi, Basil, Lemon grass, *Aloe*, Vasak, Khus, Ashvagandha have been planted. The name plates bearing the botanical as well as common names of plants have also been put up. This is very useful not only for the students and teachers of the college but also for other people visiting the college. The malis planted a good variety of seasonal annuals and have really worked hard and devoted a lot of time for sprucing up the garden. The college campus looks beautiful. The lush green lawns of the college with their seasonal colourful blooms, perennial herbs and tall trees are a delight to watch.

- Newly developed Herbal Garden

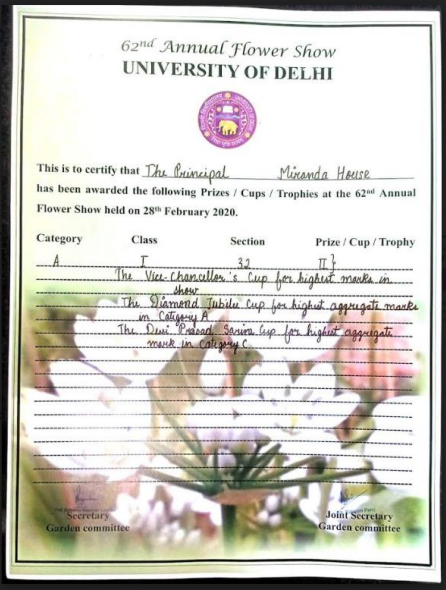

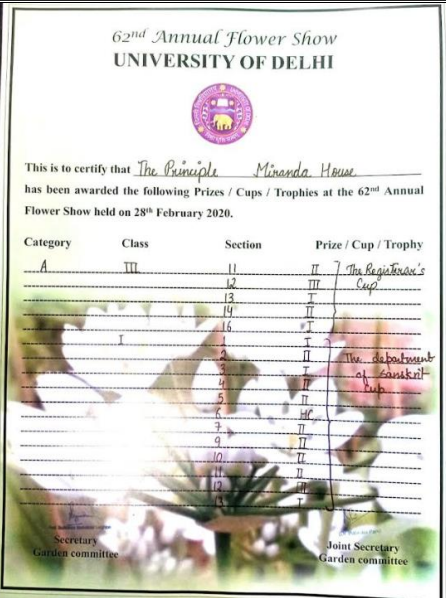

- Miranda House team receiving the Vice Chancellor's Cup 2020

# Miranda House UNIVERSITY OF DELHI

The college participated in the 62<sup>nd</sup> Annual University of Delhi Flower Show held on 28 February 2020 and bagged the first position. The college won eight prestigious cups at the Flower Show which include The Vice-Chancellor's Cup, The Diamond Jubilee Cup, The Registrar's Cup, The Devi Prasad Sarin Cup, The Department of Sanskrit Cup, The Treasurer's Cup and The Shri Ram College of Commerce Cup.
