

Miranda House

UNIVERSITY OF DELHI

Year 2021-2022

During this academic year, as the university was opening up after the pandemic, we focused on maintenance and rejuvenating our garden spaces and lawns to welcome back students to the campus. Green spaces of Miranda House have always been a source of inspiration for all its faculty and students. This year we focused on acquiring more plants for the herbal garden and the rock garden which are both well established now. We collaborated and welcomed different societies like MH Vatavaran and NSS for plantation drives on campus as well outside. Our focus was on increasing the biodiversity on campus and planting fruit trees and shrubs which will provide food to attract more faunal diversity on campus. Our plants and trees always carried labels and identification, this year we have started to put them in a document format with their location and possible uses, so that it can be freely available to all our student and faculties on the college website.

- Team Miranda House receiving Platinum jubilee cup and other cups in 64th Annual Flower Show

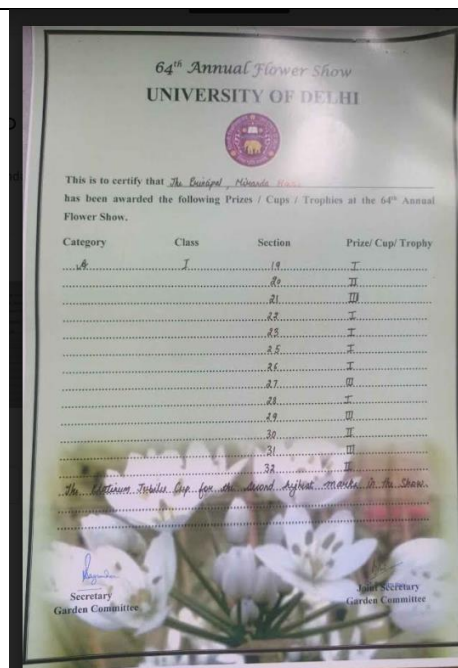

The college participated in the 64th Annual University of Delhi Flower Show held on 4th March 2022 at the Mughal Garden. After two years of lock down due to Covid 19 pandemic, the Flower Show was organized and visitors were allowed, though with some restrictions. Like every year, malis worked very hard and devoted a lot of time for sprucing up the college garden, herbal garden, rock garden, kitchen garden and lawns. The college bagged the Platinum Jubilee cup for overall second position. We also were given The Kirorimal College Cup, The Department of Hindi Cup, The Ved Prakash Cup, The Department of Sanskrit cup, The Devi Prasad Sarin cup and The Kalicharan Aggarwal Award II Prize for securing the Second Highest marks in the Show.
