Garden Committee Annual Report Year 2023-2024

Convener: Dr. Deepali, TIC, Department of Botany

Members: All faculty members of the Botany Department

Ms Deepika Tandon (English)

Dr. Barnali Biswas (Education)

Ms. Priti Rai Jain (Computer Science)

Dr Shweta Gandhi (Mathematics)

Dr Shivani (Chemistry)

During this academic year, we were engrossed most of the time in maintenance and taking care of our garden spaces, lawns and greeneries of the MH-Campus. Such green and colorful plants around the academic surroundings have always been inspired by the faculties, students and each member of Miranda House. This year we focused on planting more colorful annual plants. The garden distributed 101 plant saplings during the Golden Jubilee Celebration of the Botany. The garden increased no. of beds and species (70) in the herbal garden. We also developed a new rockery near the old one and added new species to it. Now this time the no. of species reached 49 for both succulents and cactus. and the rock garden. The garden has developed one new rose bed near the hostel gate and developing a new one on the hostel lawn. In this academic year, the garden committee did some plantation during the Hon'ble Vice President's visit (11 November 2023), and participated under the aegis of Mission LIFE (Life for Environment) on 28 August 2023. Our focus was to enhance campus biodiversity and plant more trees, shrubs and annual herbs. We also won the VC cup and many prizes in the 66th Annual Flower
