- Geetanjali- The Indian Music Society of Miranda House, University of Delhi has been performing its -annual composition each year. This year (2018-19) we have come up with a distinct thought of assimilating some rare and vibrant forms of Hindustani Classical Music like **Chaturang**, **Trivat** and **Hori**. This has been a very rare thought pondered over by any other music group of the university. We have chosen a blend of few very, indulging and flavorful Hindustani Ragas that makes you dance on its tune. The composition includes three ragas and rare forms. The initial parts included Chaturang based on **Raga Sindura** from which we morph smoothly into Raga Kafi based Hori. It’s lyrics includes- **Aaj khelo sham sang Hori**. After which we end the composition by Trivat based on **Raga bhoopali** in an upbeat which is the most appealing part of the whole content of eight minutes. The execution and guidance of the above-mentioned composition has been imparted by **Dr. Vineet Mohan Goswami (Assistant professor)**, University of Delhi. He has been working hard with us to make this composition a success. We are
