### ➤ Student Union'23 Erobern'23 Report:

As we are all well aware Physical education, sports, and other fitness activities are vital components of a person's overall personality. Along with academic learning, it is now critical to foster a fitness habit in young brains. The Department of Physical Education and Sports prides itself on being one of the most effective departments of Miranda House. It aspires to be the best in all it does and bring honour to the college. Under the guidance of the department's Teacher-in-Charge, the Student Union 2022-23...The Annual Sports Fest of Miranda House, 'Erobern'23,' the highlight of the session, was successfully organised for the tenth time in successive years from March 27th to 29th, 2023. Different activities were held: aerobics (women), basketball (men and women), chess (men and women), rhythmic yoga (women), taekwondo (men and women), tennis (women), and academic and sports quiz (men and women). The vibrant involvement of sports teams from throughout the University of Delhi in all seven events made it a huge success. For the Miranda House's general students, relay races, 60-metre races, lemon-and-spoon, balloon balancing races, and hurdle fun races were organised. Particularly modified athletic events were held for Miranda House especially abled students. Throwball, a 60-metre run, chess, volleyball, and shot-put were among the events organised for non-teaching members.
