## TULA Annual Report (2020-21)

TULA-Miranda House Consumer Club commenced this Academic year of 2020-21 with all the enthusiasm to spread the word of consumerism around. TULA, which stands strong with its values and determination, began its academic year on 11 September 2020 with students joining in large numbers from the Second and Third Year respectively. Since the pandemic delayed the arrival of the First Year students to the college, the orientation date was also postponed. The new Union along with the heads of various verticals of TULA MHCC such as Research and Redressal, Editorial, Logistics and Creative, Public Relations and Sponsorship took charge. On 28th October 2021, the Vigilance Awareness Week Programme was conducted by TULA-MHCC in collaboration with the Department of Political Science.

Mr. Shakti Sinha, Honorary Director, Delhi School of Public Policy and Governance, University of Delhi graced the webinar with his presence as a keynote speaker. The program started with the Integrity Pledge wherein participants promised to be vigilant consumers in today's world followed by the keynote speech by Mr. Sinha, poster presentation, and a Vigilance Awareness Quiz. TULA organized its virtual Orientation Programme on 25th of November 2020 for the first-year students which was joined by hundreds of students from various departments.

In January, the Fresher's Talent Search was conducted in which activities like Creative writing and Photography Competition were organized. TULA Annual Workshop Competition: Awareness on Consumer Issues

Meanwhile, the society is ready with 2020-21 Issue of *SANTULAN*- the annual magazine of TULA, scheduled to be released in the end of June 2021. Like every year, the magazine displays a beautiful collection of research articles, reviews, posters, poems, and surveys. TULA also celebrated International Consumer Rights Day on 15th March on all its social media handles making consumers aware of their rights. The activities of this session ended with Maria Latif Trumboo taking over as the President for the new union on 19th April 2021.

The academic session 2020-21 was a fruitful venture filled with the spirit and determination to learn and grow. The ongoing pandemic didn't dampen our spirit and with the efforts and hard work of the entire team of TULA, we came out with our annual magazine Santulan.
