

Nation with NaMo

Eligibility: All Courses, Batch of 2027

Company Description: Nation with Nammo (NwN), India's leading political consulting organization. Nation with NaMo currently works with the national leadership of the largest political party in the country, providing data-backed advice across the domains of electioneering and governance. The team has worked on multiple national and state elections over the last 10 years. Our team comprises graduates from the premier engineering, law, arts, sciences, and business institutes in the country.

Profile: Fellowship

About Fellowship:

- The Impact Fellowship is India's first structured campus-based fellowship contributing to nation-building by working on high impact problem statements. Unlike most fellowships, this one doesn't ask you to step away from your academics/career, rather, strengthens it.
- This 9-month hybrid program runs alongside college and includes mentorship, experiential learning, fieldwork, problem solving, learning and development sessions, residential immersions, stipends and guided career pathways.
- Each group of fellows will co-author a policy paper/solution on a pressing national issue guided by mentors from Nation with NaMo. Additionally, fellows will understand how India as a democracy works -via electioneering workshops, voter sentiment analysis, and insights into how public systems take shape.
