II. **Regarding Shortlisting and Eligibility Criteria**

(A)

For Graduation

For post of Assistant Professor in discipline of Education, marks have been awarded for degrees detailed as follows:

1. B.Ed./B.El.Ed. Degree, if the applicant has M.Ed. Degree.
2. Any other relevant Degree, if the applicant is an M.A. in Education

For Post Graduation

For posts of Assistant Professor in discipline of Education, marks have been awarded for degrees detailed as follows:

2. M. A. in Education

Many candidates have uploaded only B.A./B.Sc. marksheet and M.A./M.Sc. marksheet but have not provided marksheet for B.Ed./M.Ed. In such cases, candidates have not been given points. In certain cases, if this has led to scores less than 50, candidature has been rejected as per the DU rules.

(B)

There are some candidates who have scored more than 50 (they have B.Ed. / M.Ed.) but do not fulfill the eligibility criteria given by NCTE, which requires a certain Subject Master's degree. These candidates have been shortlisted on the basis of their scores. However, as they do not fulfil NCTE eligibility criteria (they do not have the required
