EQUINOX

THE GEOGRAPHY SOCIETY

MIRANDA HOUSE

under its annual fest

GLOBE'23

presents a special guest lecture on

"Climate Change Vulnerability and Adaptation in High Altitude Regions of Himalayas"

📅 27 March, 2023

⏳ 10:30 AM

📍 College Auditorium

Guest Speaker
Prof. Bindhy Wasini Pandey

Prof. Bindhy Wasini Pandey is a renowned scholar who specialises in Environmental Ecology, Climate Change and Adaptation, Risk-Vulnerability Assessment and Natural Resource Management, and Himalayan Geo-Lab.

He is currently a Professor of Geography at the Delhi School of Economics, University of Delhi. Along with holding numerous administrative and academic positions such as Dean Works at the University of Delhi, Provost at the International Students House at the University of Delhi, and Chairman of the Governing Body of Laxmibai College at the University of Delhi

Among others, he has had more than 51 research papers published in peer reviewed journals and a host of other articles and reviews in reputed magazines around the globe. His knowledge and guidance in the academic field are immeasurable. We are grateful for the opportunity to host him and gain some valuable insights from him during our lecture.
