

**Study in India (SII) initiative (<https://www.studyinindia.gov.in>) is by the Ministry of Education, Department of Higher Education, Government of India**

The **Study in India (SII)** initiative is by the Ministry of Education, Department of Higher Education, Government of India, designed to attract international students to pursue higher education in India. As part of this initiative, the **SII Portal** is a one-stop platform for foreign students to apply for various undergraduate, postgraduate, and diploma programs offered by top Indian universities, including the **University of Delhi**. The Ministry of Home Affairs (MHA) has also facilitated e-student visa for the foreign students registered on SII Portal.

Key Features:

1. **Wide Range of Courses:** The portal offers access to diverse programs across disciplines such as Arts, Science, Engineering, Social Sciences, Law, Business, and more.
2. **Simplified Application Process:** International students can apply to Delhi University and other participating institutions through a simplified, user-friendly online application process.
3. **Financial Assistance:** SII provides scholarship opportunities to deserving students, making quality education in India more accessible.
4. **Cultural Integration:** Studying in India allows international students to experience India's rich cultural diversity, vibrant student life, and state-of-the-art campus facilities.

Foreign students interested in studying at the University of Delhi can visit the **SII Portal** (<https://www.studyinindia.gov.in/admission/registrations>) for detailed information on eligibility, programs, application procedures, and deadlines.
