

Miranda House, University of Delhi

Financial Support Schemes for Incoming First-Year Students

At Miranda House, we believe that **financial constraints should never be a barrier to quality education**. The Scholarship Cell is dedicated to providing crucial financial support to deserving students, ensuring they can pursue their academic aspirations without worry. These **need-cum-merit-based scholarships** recognize both **financial need** and **academic excellence**.

❑ Exclusive Scholarships Provided at Miranda House

Below are some of the key scholarships that are positively impacting the academic journey of our students. These scholarships are available during **all years of undergraduate study**.
