

Centre for the Science of Happiness Miranda House

ORGANISES

A TWO-DAY INTERNATIONAL CONFERENCE

WELL-BEING AND HAPPINESS: INTERDISCIPLINARY PERSPECTIVES

05 – 06 November 2026

CALL FOR ABSTRACTS

CONFERENCE OVERVIEW

This conference explores happiness and well-being through an interdisciplinary lens, bringing together philosophy, psychology, neuroscience, medicine, sociology, and education. It examines different understandings of flourishing and connects philosophical perspectives with contemporary scientific research and practical approaches to human well-being.
