

LOVE TRAVELLING?

DO YOU KNOW?

One night in hotel produces over 30kg of CO2

With certain types of tourism less than 10% of profit is left to benefit locally

The industry of tourism is fourth source of pollution in Europe

HOW TO MAKE TOURISM SUSTAINABLE?

Whenever possible, don't travel with the airplan. The Train consume 10 times less

Ride a Bike even on holidays

Buy organic and local products

Choose an eco friendly accommodations

Bicycling

- it is healthy, fun and ego-friendly
- make sure that you prepare and plan for the optimum and safe route
- should always be locked when not in use

Walking

- remember to consider personal and traffic safety at all times
- avoid using headphones or cellphones when interacting with traffic
- make eye contact with the driver before crossing
