**Miranda House COVID Help Desk**

In the wake of the rising cases of COVID-19 in Delhi, Miranda House has formed a help desk with a support team of 300 student volunteers to help guide you through resources. The requirements in this hour of need are testing, treatment, hospitalization, oxygen support, psychiatrist, medical counselling, food services etc. You can call the following coordinators for help/guidance:

Head of Operation and overall coordinator - Srishti Sensarma (8586985336)

Hospitalisation/Beds - Vitti Joshi (9717210919)

Oxygen support - Tavissi Jain (7094055415)

RTPCR and testing - Vaishnavi Nandkumar (7738119919)

Doctors and teleconsultation - Srishti Sensarma (8586985336)

Plasma - Falek Khatana (9990416354)

Medicines- Gauri S. Kumar (9867498533)

Ambulance/taxi services - Akshita Sharma (9772889844)

Food/Tiffin and Vaccination - Eshaa Wahie (9910758920)

Psychologists- Shyenika Upadhyay (8377910874) and Srishti Sensarma (8586985336)

Additionally, the team of volunteers have created a Google Sheets spreadsheet wherein they are updating information regarding the above in real time:

It is highlighted that in these difficult times the help desk may try to provide support as and when required but nothing can replace the necessary caution to be exercised in terms of wearing a mask and maintaining social distancing.

Stay safe and healthy, we will get through this as a united front.
