### Internal Academic Audit

#### Observations & Suggestions

**Department:** Computer Science

**Academic Year:** 2020-21 (from 1 July 2020 to 30 June 2021)

#### Observations:

1. The Department regularly organises talks on AI and data science.
2. The Department organises career counselling sessions for students.
3. Faculty is a big support to the College in the organisation of data and its analysis for various surveys conducted by the College from time to time.

#### Suggestions:

1. The Department may resume the Add-on course it used to offer.
2. The Department can explore collaborating with industries for internship programmes. The Department can strengthen UG research by offering summer projects.
3. The Department should device ways of reaching out to its students so that student progression can be more robustly documented.
4. The Department may explore ways of increasing experiential learning within and beyond curriculum framework.
