

Congratulations

Prof. Monika Tomar

*for being recognized amongst **top 2% scientists of the world** based on the rankings released by Stanford University, USA and Elsevier BV*

Stanford University along with Elsevier Publications have created a database of top-cited scientists that provides standardized information on citations, h-index, co-authorship adjusted h-index, citations to papers in different authorship positions and a composite indicator (c-Score).

It's a proud moment for Miranda House to announce that, Prof. Monika Tomar, Department of Physics has been recognized in the aforementioned list.

Her rankings in the world order are appended as hereunder:

- 1. Overall World ranking: **2,62,738** out of **19,87,434***
- 2. Ranking in the field of Applied Physics (Physics & Astrophysics) in world: **7,411** out of **3,80,123***
