

# Congratulations

## Prof. Monika Tomar

for being recognized amongst **top 2% scientists of the world** based on the rankings released by Stanford University, USA and Elsevier BV in 2<sup>nd</sup> consecutive year

Stanford University along with Elsevier Publications have created a database of top-cited scientists that provides standardized information on citations, h-index, co-authorship adjusted h-index, citations to papers in different authorship positions and a composite indicator (c-Score).

**It's a proud moment for Miranda House to announce that, Prof. Monika Tomar, Department of Physics has been recognized in the aforementioned list.**

*Her rankings in the world order are appended as hereunder:*

1. Overall World ranking: **2,18,696 out of 19,68,701**
2. Ranking in the field of Applied Physics (Physics & Astrophysics) in world: **4,687 out of 2,95,432**
