Miranda House COVID Help Desk

The Miranda House COVID Helpdesk has collected information on oxygen, beds, medicines, plasma, tiffin and ambulance services, etc. available in Delhi-NCR. The document will have information that is personally verified by us, complete with contact details and other information that you may need. Please keep in mind that resources are scarce and that availability is subject to change so please keep that in mind when contacting these leads. We will keep updating the list to the best of our abilities.
